

Aberllyn Lead Mine – Floor 3 rigging Topo's (Cathedral Stope)

Rope Length (35)

Fixed Rope (red line)

Anchor -Resin (orange dot)

Anchor -Expansion (black dot)

False Floor (orange line)

NB. Route shown is the area on FL 3 around Cathedral Stope. Approach via FL 3 & traverse C or abseil from window pitch on FL2 or from passage (as shown D).

There is a mixture of 10 & 12mm Expansion bolts (●) and Resin Anchors (●). Some pull tested others not. User discretion applies

Rope lengths (←---→) may vary for different style of rigging.
